RE: Seamless Summer Option: Question and Answers

The 2004 Reauthorization Act has made Seamless Summer Waiver a permanent program that is now called **Seamless Summer Option**. Seamless Summer Option is no longer a “waiver”.

The NSLP and SBP regulations are being revised to incorporate the new Seamless Summer Option. Until the updated regulations are complete, the United States Department of Agriculture, Food and Nutrition Services has released interim guidance. The guidance titled, “**Seamless Summer Option: Questions and Answers for State Agencies and School Districts**”, is available in the ‘What’s New!’ section of the Arizona Department of Education’s Summer Food Service Program website at www.ade.az.gov/health-safety/cnp/sfp/.

If you have questions or concerns regarding this memo, please contact your assigned School Health & Nutrition Program Specialist.
